

Jesus Be Near Us

Capo 3

G2 Cmaj7 G2 C

G **C2**
You heal the broken hearted, You wipe away their tears,
Em7 **Dsus4**
You yearn with great compassion when we face our fears.
G **C2**
Lord Jesus, how we need You near us every minute of each day,
Em7 **Dsus4**
To understand our broken spirits and help us when we pray,
C **G2 Cmaj7 G2 C**
Help us when we pray.

G **C2**
We come now and stand before You, please give us strength, we pray,
Em7 **Dsus4**
When hope is gone and we feel helpless, be near us Lord and stay.
G **C2**
O Son of Man, You overcame and now we long to do the same,
Em7 **Dsus4**
To see You in Your heav'nly glory and rule with You one day,
C **G2** **Cmaj7** **G2**
Rule with You one day. One day, one day, one day,
Dsus4 G **Cmaj7 G2 C G**
Lord, one day soon.
