

Songs of Zion

Bm7 G2 Em7 Dmaj7/F# G Asus4 (2x)

Bm7 **G2**
Silent as a lamb, the humble Son of Man
Em7 **D/F#** **G**
the one who washed the feet, they took and beat
Asus4 **Bm7**
Till we could not look at His face
G2
Towards the hill, He prays for the Father's will
Em7 **D/F#** **G**
bearing the captives load on the lonely road
He pictured the scene, when they would be

Chorus:

A **Bm7** **G**
Singing the songs, the songs of Zion, singing the songs of our release
Singing the songs, the songs of freedom, singing to the Prince of Peace
Dmaj7/F# **Bm7** **G**
Singing the songs, the songs of Zion, singing the songs of our release
A **Bm7** **G**
Singing the songs, the songs of freedom

In this ministry of grace, darkness has no place
Shining His brightness, His image and likeness
found in the knowledge and glory of Jesus
Faces of ours distressed, our hearts are now perplexed
We won't despair, in this body we'll bare
the mark of the Saviour till life-eternal

Chorus

Bridge:

D **D/F#** **G** **A** **Bm7**
With the LORD God on our side, with our captain Jesus Christ
With the LORD God on our side, whom shall I fear? I will not be afraid
(repeat)

Chorus
