YOURS IS THE DAY

© Ellie Bilton, 2009

Verse 1 Rushing and rushing around, I don't stop for air
 Emails, phone calls, questions problems and cares
 I squeeze You out when I don't have time
 The clock's ticking like the tap dripping on my mind

Chorus Yours is the day, Yours is the night
 You have established the heavenly lights
 and we're called to shine like the stars in the sky,
 bringing light to others every day that goes by

Verse 2 Another day begins let's start brand new
 Fill up all my hours but try not to forget You
 I breathe in deeply, I know You're with me
 The breeze that's running through the trees reminds me of You

Chorus Yours is the day, Yours is the night
 You have established the heavenly lights
 and we're called to shine like the stars in the sky,
 bringing light to others every day that goes by

Bridge You O Lord are our length of days and we choose to live to give You praise
 You O Lord are our length of days and we choose to live to give You praise

Chorus Yours is the day, Yours is the night
 You have established the heavenly lights
 and we're called to shine like the stars in the sky,
 bringing light to others every day that goes by

PSALM 139

© Steph Jamieson, 2010

Verse 1 Lord You have searched and known me
You know when I sit and when I rise up
You know my thoughts from afar off
You know my path and all my ways

Pre-chorus Even before I speak You know my words
Such knowledge is too wonderful for me,
so wonderful to me!

Chorus Where can I go from Your spirit?
Where can I flee from Your presence?
If I ascend into the heavens or go down into the deep
You are beside me
Your right hand holds me

Verse 2 You O Lord formed my inward parts
You knit me together and formed my heart
I praise You for I am fearfully made
You lead me in Your everlasting way

Pre-chorus Even before I speak You know my words
Such knowledge is too wonderful for me,
so wonderful to me!

Chorus Where can I go from Your spirit?
Where can I flee from Your presence?
If I ascend into the heavens or go down into the deep
You are beside me
Your right hand holds me

Your right hand holds me

HOW AMAZING

© Steph Jamieson, 2009

Verse 1 Lord, how mighty are Your wonders
Oh Lord, before the world began You knew my name
How amazing!
And Lord, You opened up Your hands and began
You formed the world before You made man
How amazing!
Where was I when You created light
and the mountains first stood beneath the sky

Chorus You oh Lord dwell far above the heavens
You know every star by name
You are throned in majesty and glory
and we long to be the same

Verse 2 Lord, You're moving in our hearts and our minds
You draw us to Your presence and light
How amazing!
and Lord, Your knowledge and Your love transcends time
You care about each day of our lives
How amazing!
You delight in those who fear Your name
and Your glory shines through from age to age

Chorus You oh Lord dwell far above the heavens
You know every star by name
You are throned in majesty and glory
and we long to be the same
[repeat]

Coda Where was I when You created light
and the mountains first stood beneath the sky

CHRIST DWELL

© Steph Jamieson, 2010

That according to the riches of His glory
He will grant you to be strengthened with power
Through His spirit in your innermost being
So that Christ may dwell within your heart

So that you being grounded in love
May have strength to comprehend with all the saints
What is breadth and what is length
What is height and what is depth

And to know the love of Christ surpasses knowledge
That you be filled with the fullness of God

Now to Him who is able to do more
than all that we could ever ask or think
According to the power that's at work within us
To Him be the glory through the ages
For ever and ever and ever amen.
